Suggestions for our 2023 program.

The committee will meet in 2 weeks' time to compile the program for 2023. Suggestions for films are still welcome. Thanks to members who have given us their suggestions already. There will be paper and pens for you to write down any suggestions at this month's screening.

Committee for 2023

This film society would not run if it weren't for the work of the committee. Please consider putting yourself forward to join the committee for 2023. Feel free to email me with any expression of interest, or questions you may have. Thankyou to those who have done so already.

On this note, the AGM will be held at The Memo, Healesville at 7:00pm on November the 15th, prior to the screening of November's film, Hotel Mumbai. More information to come.

I'll leave you with Fritz's poem about the film The Ideal Palace.

The Film "The Ideal Palace" about an ordinary
man
who achieved fame without a preconceived
plan.
He felt close to nature, which helped in relation
with his strangeness and social isolation.
As a postman he walked many miles every day
which gave him stability along the way.
He had a caring, loving wife
who helped him through the mishaps of his
life.
He had stubbornness and determination
which he used to keep with his palace creation.
His baby daughter gave him a reason
to work day and night in every season.
Watching him succeed made me really glad
and now, I do not feel so bad.
