### Fritz's Poem for Alone In Berlin

*Alone in Berlin*

*May 2018*

A story about a man and his wife  
when "Heil Hitler" was the way of life,  
taking - over peoples lives and all  
The resources available to follow the call  
For unity, dominance and pride  
But sadly, the son of the couple died.  
Proving to the couple the futility  
of the war and the inability  
to speak up openly and condemn  
the lies that were so obvious to them.

This movie to me is a wake-up call  
 if it's possible making a difference at all  
 and if it's possible to send  
 a message that goes against the trend.  
 And it's also relevant today,  
 where some treasured values get swiped away.

F.R. 5-18

Thanks Fritz
