### THE LIVES OF OTHERS

#### Fritz's Poem: AGUIRRE, THE WRATH OF GOD

*"Aquirre, The Wrath of God" is the madness of a man  
Who seeks power and fame any way he can.  
The finished movie was watched and discussed  
By the director and his mentor whom he did trust.*

*The Mentor said: it is well portrayed,  
The people and their troubles truly displayed.  
The forces of nature shown in true light  
And the suffering and pain, it fell so right".*

*"Your movie is truly well - made and strong.  
But I do believe it is too long!  
In fact twice as long as it should be  
And which half you cut out does not worry me".*

**Thanks Fritz**
